

MAJESTIC METALS, INCORPORATED
DENVER, COLORADO

Majestic Metals, Incorporated of Denver, Colorado manufactures precision sheet metal components for the computer electronics and medical electronics industries. The facility has received several environmental awards including a Colorado Clean Air Partner of the Year Award, a Governor's Citation for Smart Growth and Development, and a Metro Wastewater District Gold Award. Majestic Metals is also a member of EPA's 33/50 and Waste Wi\$e programs.

ENVIRONMENTAL PERFORMANCE

Past Accomplishments

Majestic Metals has demonstrated its commitment to environmental performance in the areas of air emissions and hazardous material use. Since 1997, the facility has:

- **Reduced emissions of volatile organic compounds (VOCs)** by using paints and coatings with low VOC content.
- **Reduced hazardous material use** by 62 pounds through substituting non-chromate material for chromated metal cleaners.

Future Commitments

The Majestic Metals Denver facility also committed to continued environmental improvement through additional reductions in hazardous waste generation, reduced energy use, and the creation of an on-site wetlands area. By 2003, the facility will:

- **Reduce hazardous waste** by replacing standard fluorescent shop lights with low-mercury lights.
- **Reduce energy use** by replacing incandescent shop light fixtures with high-efficiency fluorescent lights.
- **Reduce hazardous material use** by changing from chromate conversion of aluminum to iron phosphate.
- **Improving an on-site wetlands area** by planting vegetation.

COMMUNITY OUTREACH

The Majestic Metals Denver facility is an active member of various community and state environmental programs, including the Colorado Compliance Advisory Panel, the Northeast Metro Pollution Prevention Alliance, and the Pollution Prevention Partnership. Information about the facility's environmental

AT A GLANCE

Industry Sector:	Metal Industries
Business:	Manufactures sheet metal components
Facility Employees:	100-499
Accomplishments:	Reduced VOC emissions Reduced hazardous material use
2003 Commitments:	Reduce hazardous waste Reduce energy use Reduce hazardous material use Improve a wetlands area
Address:	7770 N. Washington Street Denver, CO 80229
